

# STANDARD

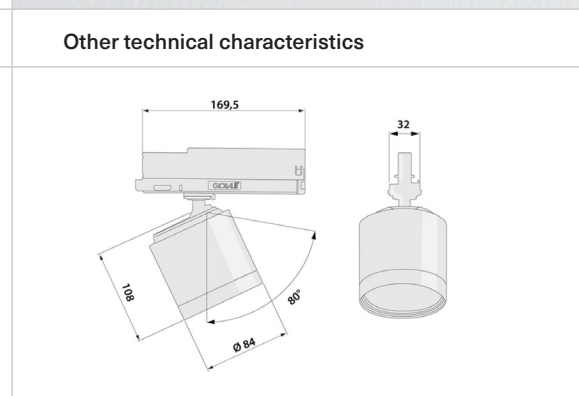

## Datasheet

Add visual interest to any room with the STANDARD track light. The high efficiency fixture casts a soft and focused glow onto displays or inventory, while also saving energy.

HIGH  
EFFICIENCY

Color	Beam Angle	CCT	System flux	System power
●	15°	2700K	3090lm (3000K)	25,4W (650mA)
●	20°	3000K	3265lm (4000K)	
○	30°	3500K		
		4000K		

**Color Rendering:**  
CRI > 90

**Material:**  
Die-cast aluminium

**Lifetime:**  
50.000 hours L80B10

**Color consistency:**  
MacAdams 2 SDCM

**Guarantee:**  
5 years (LED Chip & driver)

**Installation:**  
Nordic Aluminium 3-phase track

**LED chip:**  
Philips

**Protection:**  
IP20

**Dimmable:**  
Casambi, DALI, CC Wireless

**Certifications:**  
CE

**Accessories:**  
Honeycomb filter, Barndoors
